RESPONSE TO EX PARTE QUAYLE OFFICE ACTION

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in Response to the Ex Parte Quayle Office Action
mailed on October 1, 2007. A request for a two month extension of the
term for response extending the term to February 1, 2008 is submitted
herewith.

Remarks

The application is allowed but the Office Action indicates
the inventorship is deficient because the patent application file does
not have any record of signed statements from the inventors Mark D.
Woodruff, Scott A. Salvage and Leslie L. Zinger indicating that the
error in inventorship occurred without deceptive intent upon their
parts.
